

Unity is one of the largest Black & Minority Ethnic (BME) led housing associations, managing over 1,200 properties that are a mixture of affordable rented and shared ownership. Our services are aimed primarily, but not exclusively, at the BME communities of Leeds.

Tenant Involvement & Communications Officer

£21,390 to £25,700 pa

We are looking for a highly motivated individual who ideally has experience of community development, regeneration and working with tenant groups. This would also include co-ordinating community development activities.

You should have experience of working with other organisations, coordinating events and activities and encouraging participation. You should also have experience of design of publications ie newsletters, leaflets and other promotional material.

You will engage with customers across a range of media channels including online, via the website and social media accounts.

You must be an excellent communicator and approach work in a systematic and organised manner.

The role is customer focused and requires a flexible approach to work including occasional working outside of normal office hours.

Application forms and additional information must be sourced from the uha website in the first instance – uha@unityha.co.uk – employment. For paper copies only please email ann.foster@unityha.co.uk

Closing date for applications is Friday 9 November 2018.

Unity welcomes applications from all sections of the community
